Remember 1990

Once in a lifetime, people get the chance to be,

Together with others in complete unity.

And so was the experience of our volleyball team,

Together we worked, each to

reach a dream.
What we reached turned out to

be so much more, That maybe even we weren't ready for what was in store.

I've never been a part of a team so unique,

Of the feeling it gave me, it's hard to even speak.

The time we spent together was

rich in quality, Although it was rather short in

actual quantity. With a pass, a set, and a hit to

the ground, We were always to be victory

The times we shared can never be erased,

And so even a loss was never a waste.

I can't thank you enough for the smiles you brought to me,

To each of you eternally grateful I will be

I am thankful, for of the team I was a part,

Each and every victory now etched inside my heart.

There is a lesson to be learned of what a team can really be,

We are the example of that lesson, Volleyball 1990.

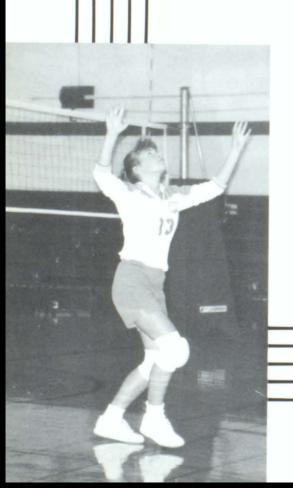

I hate to think it's over, but we all know that in the end,

All good things must stop before another can begin.

As long as we remember that this season meant so much,

We'll always be a team, they just can't touch!

Trojans execute a winning play

The football team was plagued by injuries almost the entire season. The Trojans lost both their number one and two quarterbacks (Ryan Wilkey and Tim Cochran) in the first three games. Also lost in these injuries were two defensive back positions and the kicker, punter, back-up kicker and the holder. Sophomore split end Joe Doolin took over as running back in the third game and became the quarterback in the fourth game. This left holes at both split end and running back. Guard Scott Weikle moved to fullback in the fifth game due to Doolin's injury in an auto accident. Weikle suffered a hairline fracture in that game and was out for the remainder of the season. Doolin returned as quarterback and guard Josh Settles moved to running back for the final two games. Coach Thompson praised the players for keeping a great attitude. "We learned some very good things about a lot of our players," said Coach. The Trojans fought hard, losing 3 games by a total of 5 points and winning two other games 31-0 and 32-14. Brian Cooper and Lance Harrison were selected to the Meridian All-Conference first teams on both offense and defense. Scott Weikle was selected to the second team on both offense and defense.

The Lady Trojans has another successful season. Their season record was 19-6. They were defeated in conference play for the fifth successful season. The girls also captured third place in a very tough Mt. Zion Tournament, and were the Macon County Champions for the first time ever. Stacey Dodd and Deb Pope gathered All-county Honors, and Laura Bromley and Rock Kottke made the All-Luster team. The Junior Varsity was also successful, going 12-4 on the season.

Boys Basketball

The Varsity Basketball Team had a very successful season this year. They began by winning the 64th Annual Macon County Tourney at Warrensburg; they defeated top-seeded St. Teresa 76-75 in a thrilling OT game. Besides winning the Macon County Tourney, the Trojans finished 2nd in the Meridian Conference with an 8-3 record, and placed 2nd in the Meridian Conference Tourney at Maroa. Under the leadership of five seniors on the squad, the team finished with a 16-9 overall record. This year's co-captains were Jason Anderson and Scott Parrish.

Scott Parrish: 1st Team All-Meridian Conference; Macon County Tourney MVP; 2nd Team All-County Herald and Review; Member North Team in the Heart of Illinois All-Star Classic

The Junior Varsity Team consisted of many young and inexperienced players this year. The team showed steady improvement all year. The youthful Trojans started out slow but finished strong with a 6-13 overall record.

The Freshman Team had a good season, placing third in the Niantic Freshman Tourney and placing 3rd in Maroa Freshman Tourney. They finished 8-5 overall.

Led by Co-Captains Kim Shaw and Lisa Odle, the girls softball team won the Maroa-Forsyth invitational (7-0) and the Regional Championship, losing to St. Joe in the Sectional. Coach Livingood was "Very proud and pleased with the outcome of the season. We had a whole new infield and the younger girls filled in and show promise. We'll miss our four seniors." Lisa Odle was named MVP and held the highest batting average (476). Sherry Parrish was most improved player.

With only three seniors in the starting lineup, the Trojans amassed 19 wins while losing only 5, and won their fourth consecutive Meridian Conference Championship. The Trojans have now won 27 consecutive conference games.

The Trojans have won 11 of the last 13 Meridian Championships and have an 84-4 conference record over the past 13 years.

Seize The Day

Seize the day with what one may, for life's too short to dream away.
Like a candle in the window's draft, life can cease, become the past.
So take your means, enrich life's scenes.
Create the real from what one dreams.
Vast as stars are souls in pain, wasting away — searching in vain, for livid truth — achievements proof.
We weren't misguided nor unjustly duped.
Tis up to us to seize the day refuse to let life slip away.
